

## PRODUCT DATA SHEET

90mm C Stud Profile 3.6M

Item: 5991

|                    |                                                                                                                                                                       |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description        | 5991                                                                                                                                                                  |
| Specification      | Eco Stud Partition profiles are a low cost, high quality metal friction fit construction used to form the support frame for non-load bearing plasterboard partitions. |
| Product Group      | Partition Profile                                                                                                                                                     |
| Product Category   | C Stud Profile                                                                                                                                                        |
| Material           | Galvanised Steel                                                                                                                                                      |
| Material Thickness | .45mm                                                                                                                                                                 |
| Colour             | Mill Finish                                                                                                                                                           |
| Reaction to Fire   | D                                                                                                                                                                     |
| Length             | 3m/3.6m/4.2m                                                                                                                                                          |
